

SUMMARY

As a passionate and motivated fresher in MERN Stack development, I bring a solid foundation in the essential technologies including React.js, Node.js, MongoDB, and Express.js. My enthusiasm for crafting seamless user experiences and my dedication to learning and growing in this field are evident in my commitment to staying updated with the latest trends and best practices. While I may be new to the professional landscape, my adaptability, collaborative spirit, and eagerness to contribute make me a valuable addition to any team. I am excited to leverage my skills and drive to deliver high-quality code and contribute to the success of innovative web applications.

SKILLS

Responsive Web Design

Back-end and Database skills : Node.js, Express.js, MongoDB

Front-end Skills : HTML, CSS, Javascript

Animation : Framer Motion

Analytical thinking

EXPERIENCE

MERN Stack developer

Accenture Mar 2019 - Present

- Experience in developing and maintaining web applications using MERN Stack (MongoDB, Express.js, React.js, Node.js)
- Proficient in frontend technologies such as HTML, CSS, and JavaScript
- Strong knowledge of database design, implementation, and optimization using MongoDB
- Experience in designing and developing RESTful APIs using Node.js and Express.js
- Proficient in React.js for building user interfaces and state management
- Familiarity with modern front-end design tool like SASS and Tailwind css
- Versatile in integrating dynamic animations through Framer Motion
- Ability to debug and resolve issues in existing codebase
- Strong problemsolving skills and attention to detail
- Collaborate with crossfunctional teams to define, design, and ship new features
- Conduct code reviews and provide constructive feedback for team members
- Stay updated with emerging technologies and bring new ideas to the development team
- Ensure the application is optimized for maximum performance and scalability

PROJECTS

E-commerce website

Design both front-end and backend of the website Feb 2024 - Mar 2024

EDUCATION

Bsc in Engineering

Khulna University of Engineering and Technology Jan 2019 - Mar 2024

LANGUAGES

English

Bengali

Hindi
